PROFESSIONAL SUMMARY

Manual QA Engineer with 2.5 years of commercial Manual QA experience and 3+ years in Technical Support. Tested B2B web applications, POS systems and REST APIs at Nayax. Investigate defects using DevTools, API requests, SQL and logs, then retest fixes and related flows. Open to remote QA roles.

CORE SKILLS

Testing: Functional, regression, smoke, UI/UX, API, web and POS testing.

QA work: Test cases, bug reports, requirements review, fix verification.

Tools: Jira, Zephyr Scale, Xray, Swagger, Postman, Chrome DevTools.

Data and diagnostics: SQL, MySQL, Microsoft SQL Server, JSON, log analysis.

Playwright: Basic/practical experience, AI-assisted with Claude Code.

PROFESSIONAL EXPERIENCE

QA Engineer | Nayax Retail LTD

Feb 2024 - Sep 2026 | Ukraine

- Tested the ERP web application, admin panel and POS functionality, including Customers, Franchise, Attendance, Export, roles and access-related flows.
- Performed functional, smoke, regression and API testing; maintained test cases and bug reports in Jira.
- Investigated defects using Chrome DevTools, Swagger/Postman, SQL and logs to distinguish UI, API/backend and stored-data issues.
- Before releases, worked through the team regression list, retested fixes and checked related functionality affected by changes.
- Worked with developers and the product team to reproduce issues, clarify expected behaviour and verify fixes.

Technical Support Specialist | Nayax Retail LTD

Jul 2021 - Jan 2024 | Odesa, Ukraine

- Investigated software and hardware incidents in retail/POS systems using logs and database records; documented findings for engineering teams.
- Installed and configured POS devices and coordinated issue resolution with technical teams.

Technical Support | KTS Monitoring

Sep 2020 - Jun 2021 | Odesa, Ukraine

- Supported clients in Wialon, checked GPS and fuel-level-sensor data, configured monitoring and prepared reports.

EDUCATION

Computer Engineering | Open International University of Human Development 'Ukraine' | 2017 - 2020

Surveying | Odesa State Agrarian University | 2009 - 2014
